

Price Guarantee

St Charles Homes is a boutique house builder, building and renovating beautiful bespoke homes.

We understand that when you get a quote from a builder that is the amount you expect to pay.

Our price Guarantee promise is that, if we do what we quoted, you will pay what we quoted.

Sometimes there are extras as we progress through the project but these will be fully discussed.

All extras are charged at the RICS* Standard Construction Rates so you know you are paying a fair price.
